- Changing department, faculty, etc., being absent from school for 1 year or more in total during the period of school, changing the course you are enrolled in, and withdrawing from school

• Cases of concurrent insurance contracts

1. In cases where insurance claims or mutual aid benefits have not been paid by other insurance contracts.

2. In cases where insurance claims or mutual aid benefits have been paid by other insurance contracts.
   The payment of claims shall be made in accordance with the enrollment details of this insurance contract with respect to the amount of damages after subtracting any insurance claims or mutual aid benefits paid by other insurance contracts.

• Notes regarding double compensation coverage

In case there is an insurance policy (includes insurance policies excepting special policies and insurance-underwriting companies) that has the same compensation policy, the compensation coverage might be redundant. When the compensation coverage is redundant, any accidents that are within the coverage can be paid for by either policy. However, there is a possibility that the policyholder only receives compensation from one company. Please check the difference and the maximum coverage in the compensation policy and consider the necessity for the policy.

• Procedures in the event of an accident

When an insured event or an accident causing an insured event to happen, you must contact the school insurance counter of Tokio Marine & Nichido Fire Insurance and inform them the following information without delay:

- Your full name, age, and enrolled school - Date and time of accident - Location of accident - Full name and age of the injured party - Cause of accident - Degree of damage (injury, destruction, etc.)

Also, please inform the school section in charge (the students section, student support section, health center, etc.) in the occurrence of any accident, and state that you have reported details of the above to the underwriting insurance company.

Please note that a delay in giving the above notice may result in the reduction of claims payable, and the right to request claims is bound by the statute of limitations of three (3) years.

• Out-of-court settlement services

Out-of-court settlement services are not available. This insurance does not offer a settlement negotiations service as an insurance company between the insured and parties who sustained an injury or damage. In the occurrence, therefore, of an accident liable under this insurance, be aware that you must conduct out-of-court negotiations directly with the injured party, upon which you may need to agree in charge at the underwriting insurance company. Moreover, please note that the admission of your liability or any agreement to the amount of damages given without approval from the underwriting insurance company may lead to the failure to receive the whole or part of the claim.

• On liens

In personal liability insurance the injured party in an insured event who has the right to request damages against the insured has a lien on the insured’s right to request the underwriting insurance company to pay insurance claims (excluding the right concerning insurance claims for which the insured person is not liable) (Paragraph 1 of Article 22 of the Insurance Law). “A lien” means the victim’s right to receive compensation for the victim’s credits from out of benefits of insurance prior to the payment of insurance claims directly to the injured party.

Furthermore, please note that the admission of your liability or any agreement to the amount of damages given without approval from the underwriting insurance company may lead to the failure to receive the whole or part of the claim.

• Handling of insolvency cases of an underwriting insurance company

In the event that the insurance company should become insolvent, there may be cases where the payment of claims, refunds, etc. is frozen for a certain period of time or where the amount of claims, refunds, etc. is reduced.

If, at the time of the insolvency of the underwriting insurance company, the policyholder is a private individual, a "small-scale corporation" (meaning Japanese corporations and foreign corporations (restricted to contracts entered by offices in Japan) of which the number of regular employees at the time of the insolvency does not exceed 20) or a condominium management corporation, this insurance shall be under the jurisdiction of the Non-Life Insurance Policyholders Protection Organization and claims, refunds, et al. shall, in principle, be covered up to 80% (or 100% in respect of claims arising from the insured incident occurring within 3 months of the inception of the underwriting insurance company).
